

## **Princeton Secondary School Athletic Contract**

This year, we are introducing an athletic contract to enhance our athletic programs at the school. One of our goals this year is to offer as many athletic programs as possible. This takes commitment and effort by the student athlete and community. By signing this contract, you are agreeing to the terms outlined. If you do not agree to these terms, you/your child will not be permitted to participate in school athletics this year.

### **Commitment**

Your commitment to PSS Athletics includes: attending organized practices, attending games, completing school work, following the PSS Code of Conduct and attending class. **It is expected that you will attend at least 2 organized practices per week.** Practices may take place during some lunch periods, in the morning and after school depending on the program you're joining. If teams cannot maintain 8-10 athletes, league games and tournaments will be cancelled.

### **Athletic Fee**

An Athletic fee of \$60 for your first sport and \$40 for your second sport will be required before you can attend any league or tournament games. This fee helps fund travel, team expenses such as referees, equipment, and registration fees. If you are experiencing hardship, feel free to speak with Mr. McConnell or Mrs. Larsen.

### **Jersey Deposit**

A jersey deposit cheque of \$50 is required if you are going to use one of the school's jerseys. At the end of the season, you will receive your cheque deposit back if the jersey is returned cleaned and in the condition that you received it.

### **In-Class Commitment**

Students must be in good academic standing to participate in athletics. Teachers have the right to suspend students from athletics until academic issues are resolved.

**Tournament Fees**

Tournament fees are required for hotels, transportation and tournament fees. These typically run about \$50 per tournament but could reach \$75 depending on duration and location. This year tournaments may vary due to availability as a result of health protocols. If you are experiencing hardship, we may be able to assist you. Please feel free to speak with Mr. McConnell or Mrs. Larsen.

Before signing this contract, make sure you are ready to commit. Remember, by signing this you are agreeing to COMMIT. This contract must be signed and returned to the office before participating in any organized school sport activity.

We thank you for your dedication and willingness to help build our Rapids Athletics Program.
