

SKILLED TRADES^{BC}

YOUTH WORK IN TRADES PROGRAM

GET ON-THE-JOB TRAINING AS A YOUTH APPRENTICE

Get ahead on the work-based training of a trade apprenticeship while you're still in high school. Not only will you take home a pay cheque, you'll earn up to 16 credits towards your high school diploma, log 480 training hours toward your trade credential and maybe even earn a \$1,000 award.

IS THIS THE PROGRAM FOR YOU?

- You're going into grade 10-12 and are currently working under a certified Tradesperson.
- You want to get on-the-job training in your trade and high school credits.

NEXT STEPS

- Talk to your school Youth Work in Trades Coordinator (Dave Andersen; dandersen@sd58.bc.ca).

YOUTH TRAIN IN TRADES

GET A HEAD START ON YOUR TECHNICAL TRADES TRAINING

Attend a trades training class at a local high school, a partner post-secondary institution or an ITA-certified training facility. You'll learn from skilled instructors and earn credits that count towards your high school diploma and Level 1 of your technical trades training.

IS THIS THE PROGRAM FOR YOU?

- You're going into grade 12 and would like to start a Trades Training program while still in high school.
- You found a trade that you like and want to learn more.

NEXT STEPS

- Talk to your Youth Train in Trades Coordinator (Kevin McGifford: kmcgifford@sd58.bc.ca).

SD58 ROCKS-HEAVY EQUIPMENT OPERATOR EXPERIENCE

THIS PROJECT IS INTENDED FOR STUDENTS WHO HAVE AN INTEREST IN THE MINING AND FORESTRY INDUSTRY AND/OR THE OPERATION OF HEAVY EQUIPMENT.

The **SD58 Rocks** program will provide opportunities for students to explore the wide variety of rewarding career choices as heavy equipment operators in the forestry and mining industry. Students will learn the importance of safety training and will receive mentoring from equipment operators as they learn to operate several different types of heavy equipment.

IS THIS THE PROGRAM FOR YOU?

- School District No. 58 (Nicola-Similkameen) students currently in grades 11/12 (Priority to Grade 12)
- With an interest in the construction and forestry industry

NEXT STEPS

- Talk to the District Coordinator for SD58 Rocks (Dave Andersen; dandersen@sd58.bc.ca).
